2022 DELIVERY INSTRUCTIONS

Stocks, Mutual Funds, Schwab to Schwab

NOTE: When you initiate a securities transfer, please ask your broker to add your name(s) to the transfer request. Please notify Mark at mareed@dmdiocese.org that you are gifting stock or mutual funds. We will need to know the number of shares and call name of the security(s) you are donating. Your name is not always attached to the transfer and that makes it difficult to connect your gift to you. These two steps will assure you will receive your tax credits.
